

THE EDGE YOU NEED

- 9 session spring/summer clinic designed for you to go into tryouts in peak skating condition
- VIDEO ANALYSIS of each skater to improve Speed, Agility, Balance, Overspeed Training and Quick Starts
- Passing, Shooting, Checking and Mini-Games
- Skill Development and Skating Perfection for ALL LEVELS of hockey players
- Individualized Goalie Training
- Players will be divided into groups by the Pivotal Hockey staff to find the level that will help them develop at the most efficient level
 - ELITE Players will be paired with other Jr/Prep players forcing them to push themselves beyond their expectations. In addition to skill development, the Elite Players will compete in a weekly on-going mini-game tournament with stats posted on our website
 - NOVICE Players will focus on improving all fundamentals of skating as well as developing hockey skills. This group will work on all aspects of hockey with a focus on perfecting their forwards and backwards stride and increasing speed
